

3D exploded view of a mechanical assembly. The assembly consists of a vertical shaft and a horizontal bracket. The shaft has a central section with a blue step and is surrounded by a series of colored rings (yellow, orange, purple, green). The horizontal bracket is composed of a yellow base, a red middle section, and a blue end section. The exploded view shows the relative positions of these components.

3D exploded view of a mechanical assembly. The assembly consists of 14 numbered parts:

- 1: A long black shaft or rod.
- 2: A green rectangular block.
- 3: A yellow rectangular plate.
- 4: A small orange rectangular block.
- 5: A blue L-shaped bracket.
- 6: A dark blue rectangular block.
- 7: A light blue rectangular block.
- 8: A red rectangular block.
- 9: A green rectangular block.
- 10: A purple rectangular block.
- 11: A green rectangular block.
- 12: A green rectangular block.
- 13: A green rectangular block.
- 14: A green rectangular block.

The parts are arranged in a complex, multi-layered structure, likely representing a mechanical component or a building structure. The exploded view shows the relative positions and orientations of the parts.

Technical drawing of a stepped profile (likely a cross-section of a mechanical part) showing dimensions in millimeters (mm). The drawing includes a top view and a side view.

Top View Dimensions:

- Overall width: 2075 mm
- Segment widths (from left to right): 310 mm, 820 mm, 755 mm, 190 mm
- Segment heights (from top to bottom): 50 mm, 150 mm, 250 mm, 350 mm, 750 mm
- Overall height: 1550 mm

Side View Dimensions:

- Overall height: 4070 mm
- Segment heights (from bottom to top): 150 mm, 300 mm, 150 mm, 2700 mm, 650 mm, 320 mm
- Overall width: 5220 mm
